Product Overview

The Powerology 140W Triple-Port High-Power Car Charger offers fast and efficient charging with a blue LED light for easy visibility. Featuring a durable zinc alloy design, it supports PD 65W and QC 30W for high-speed charging across three ports, ensuring universal compatibility with a variety of devices. Whether you're charging smartphones, tablets, or other electronics, this charger provides reliable and quick power on the go. Its sleek and modern design is ideal for those who prioritize fast, multi-device charging during their travels.

Specifications

Model	PCCSR025
Input	DC 12-24V
USB-A Output	5V/3A, 9V/3A, 12V/2.5A (30W Max)
USB-C1 Output	5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/2.25A (45W Max)
USB-C2 Output	5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3.25A (65W Max)
USB-A + USB-C1 Output	75W (30W + 45W)

USB-A + USB-C2 Output	95W (30W + 65W)
USB-C1 + USB-C2 Output	110W (45W + 65W)
Total Output	140W
Material	Zinc Alloy with Oil Painting Finish

Product Features

- 1. High Power Output: Provides efficient and fast charging with 140W total power.
- 2. Triple Port Charging: Equipped with three ports, enabling simultaneous charging for multiple devices.
- 3. PD 65W and QC 30W: Supports Power Delivery (PD) 65W and Quick Charge (QC) 30W for fast and optimized charging.
- 4. Universal Compatibility: Works with a wide range of devices, making it highly versatile.
- 5. Durable Zinc Alloy Build: Made with high-quality zinc alloy for durability and long-lasting use.

Safety Precautions

- 1. Avoid Overloading: Do not exceed the maximum power output to prevent overheating or potential damage to devices.

2. **Proper Ventilation:** Ensure the charger is placed in a well-ventilated area to avoid heat buildup during charging.
3. **Use in Compatible Vehicles:** Ensure the charger is used in vehicles with the appropriate voltage and power specifications.
4. **Check Cable Integrity:** Regularly inspect cables for signs of wear or damage to avoid electrical short circuits.
5. **Disconnect When Not in Use:** Unplug the charger from the vehicle's power outlet when not in use to prevent power drain or potential electrical hazards.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website [**https://www.powerology.me/warranty**](https://www.powerology.me/warranty) and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
