Sensitivity: 40±3dB

Frequency Range: 105Hz ± 20%

Impedance: 32Ω ± 15%

Input Jack: Type C

Cable Length: 120mm

Rated Power: 2mW

Maximum Power: 3mW

Operating Instructions

1. Answering Calls:

In connection mode, a brief press of the multifunction button will answer an incoming call.

2. Ending Calls:

To end a call or disconnect after the conversation, a short press of the multifunction button is sufficient.

3. Declining Calls:

If you wish to decline an incoming call, press and hold the multifunction button for approximately 3 seconds.

4. Call Disconnection:

During an ongoing call, pressing the multifunction button once will terminate the call.

5. Volume Control:

Increase volume by pressing the volume up + button during a call. To decrease volume, press the volume down - button.

6. Music Playback Controls:

To play or pause music, press the multifunction button briefly. For next track, double press; to return to the previous track, triple press the volume down button.
