	Next Track	Hold for 2 seconds to skip to the next track.	

Instructions for Use

## A. Power On and Off

On: Press and hold for 2 seconds.

**Off:** Press and hold for 2 seconds.

B. Bluetooth Connection

Search for and select "PW011" to connect.

C. Disconnect from Bluetooth

Press and hold the "Mode" button for 3 seconds to disconnect from Bluetooth.

3 Seconds

D. Power-saving Mode

The speaker will automatically power off after 10 minutes if it does not pair with any device.

E. Low Battery Warning

The speaker alerts you when the battery reaches 20%. Below 10%, the speaker will shut down. (A tone sounds, and the red light flashes.)

F. AUX Mode

Plug in a 3.5mm audio cable to automatically play music from the AUX source. A prompt sound is emitted, and the blue light flashes slowly while playing.
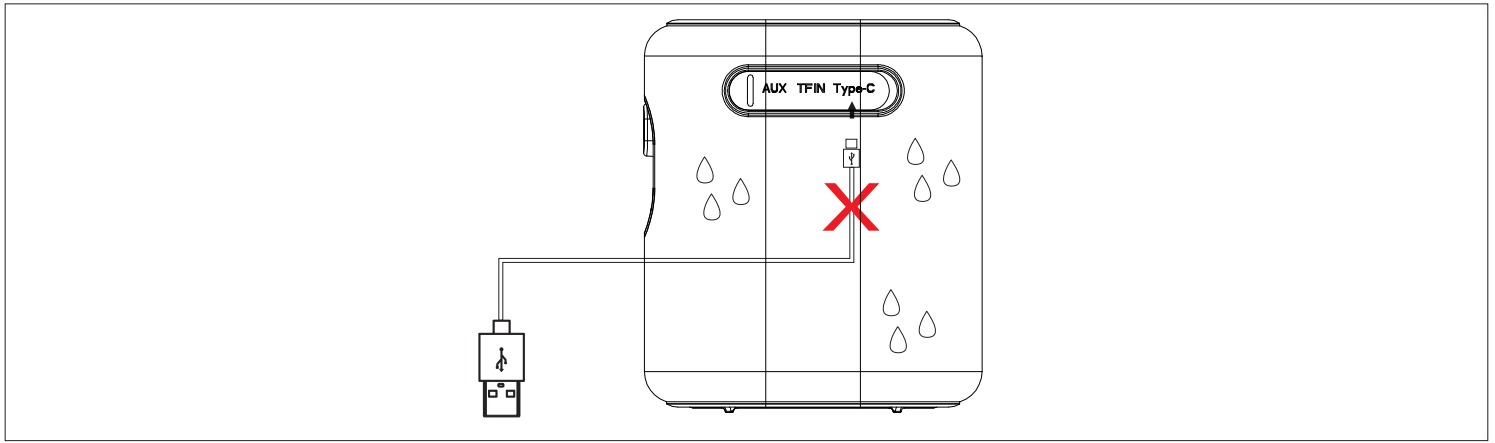

Red Light On	device is charging
Red Light Goes Off	Charging has completed
Red Light Flashes	Battery is low

G. TF Card Mode

Insert the TF card, and the music will play automatically.

TWS Mode

1. Turn on both speakers. If other Bluetooth devices are connected, disconnect them to allow the speakers to enable Bluetooth search mode.

2. Double-click the TWS button on one of the speakers. When you hear a beep and see the yellow light flash, the speakers are in TWS pairing mode.

3. Once in TWS pairing mode, the yellow lights on both speakers will flash simultaneously, and there will be a beep. The blue light on the main speaker will flash quickly, waiting for the devices to connect. The blue light on the auxiliary speaker will stay on.

4. After the TWS connection is established, the main speaker will either connect to Bluetooth or be plugged into AUX to play music. The auxiliary speaker will play the same music.

5. In TWS connection mode, double-click the TWS button to disconnect the speakers. A prompt sound will play, and the yellow light will turn off.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website **powerology.me/warranty** and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
