Compatibility	iOS 10+, Android 10+
Bluetooth Frequency	2.402~2.480GHz

## Important Safety Precautions

1. This product is not designed for use during activities such as bathing, swimming, diving, hot springs, saunas, or similar activities involving water. Exposure to water may cause damage to the device.
  2. To prevent the accumulation of dirt and bacteria, ensure that the equipment and its accessories remain dry at all times.
  3. Avoid using a microwave oven or a blower to heat or dry the equipment.
  4. Do not expose the equipment or its accessories to high temperatures or place them in environments where the temperature is excessively high. Ensure the equipment is not exposed to direct sunlight, intense heat, high humidity, or open flames.
  5. The equipment should not be subjected to strong impacts or vibrations. Handle the device with care to avoid potential damage.
  6. Keep the device out of reach of children and animals to prevent accidental ingestion or damage. The product should only be disassembled by trained professionals.
  7. After charging, always disconnect the charging cable from the power source to prevent a short circuit, especially if the cable comes into contact with conductive materials.
  8. The health data provided by this product is intended for reference purposes only and should not be used as a basis for medical diagnosis.
- Note:** Certain additional features of the watch, such as caller ID display and message notifications, may not be compatible with all smartphone models.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website **powerology.me/warranty** and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
