## Instructions for Use

1. After unboxing, remove the earphones from the charging case.
2. Open the charging case and wait quietly for 3 to 5 seconds. The left and right earphones will automatically pair with each other. Then, search for the Bluetooth name "PWYX59WH" on your mobile phone's Bluetooth settings and select it to connect.
3. Open the lid of the charging case, and the earphones will automatically power on and pair with the previously connected device.
4. Place the earphones back into the charging case and close the lid. The earphones will automatically power off and begin charging.
5. Play/Pause: Tap either the left or right earphone once.
6. Answer/End Call: Tap either the left or right earphone once to answer or end a call.
7. Reject Incoming Call: Tap either the left or right earphone twice when there is an incoming call.
8. Voice Assistant: Tap either the left or right earphone twice to activate the voice assistant.
9. Previous Track: While music is playing, tap the right earphone three times.
10. Next Track: While music is playing, tap the left earphone three times.
11. Volume Down: Press and hold the right earphone to decrease the volume.
12. Volume Up: Press and hold the left earphone to increase the volume.

## Charging Indicator Light

1. When the charging case is charging the earphones, a white light will illuminate. The light will turn off once the charging process is complete.
2. When charging via a Type-C cable, the orange light on the charging case will flash. Once fully charged, the orange light will remain solid.

**Note:** Please ensure you use a 5V/1A charging cable or the included charging cable when using the product.

## Safety Precautions

1. Ensure the headset is placed in the correct position for charging.
2. Do not expose the battery (or battery pack) to conditions such as direct sunlight, fire, or any source of excessive heat.
3. Prolonged listening to music at high volumes may cause hearing damage. Please adjust the volume to a safe level when using this device.
4. Avoid using the device during thunderstorms, as electrical storms can interfere with the device's operation and increase the risk of electric shock.
5. Do not disassemble or modify the headset for any reason, as this may lead to malfunction or damage.
6. Keep the device away from small children and pets.
7. Do not immerse the device in water.
8. Avoid using abrasive cleaners to clean the earphones.
9. Check the charging source before connecting the device to ensure compatibility.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website **powerology.me/warranty** and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
