## Overview

Featuring dual USB outputs, this power bank allows you to charge tablets, smartphones, players, mini speakers, and other digital devices, the VISION power bank is designed to keep you connected and powered up. Using the appropriate Apple cable or connector, it is also compatible with iPhone and iPad devices.

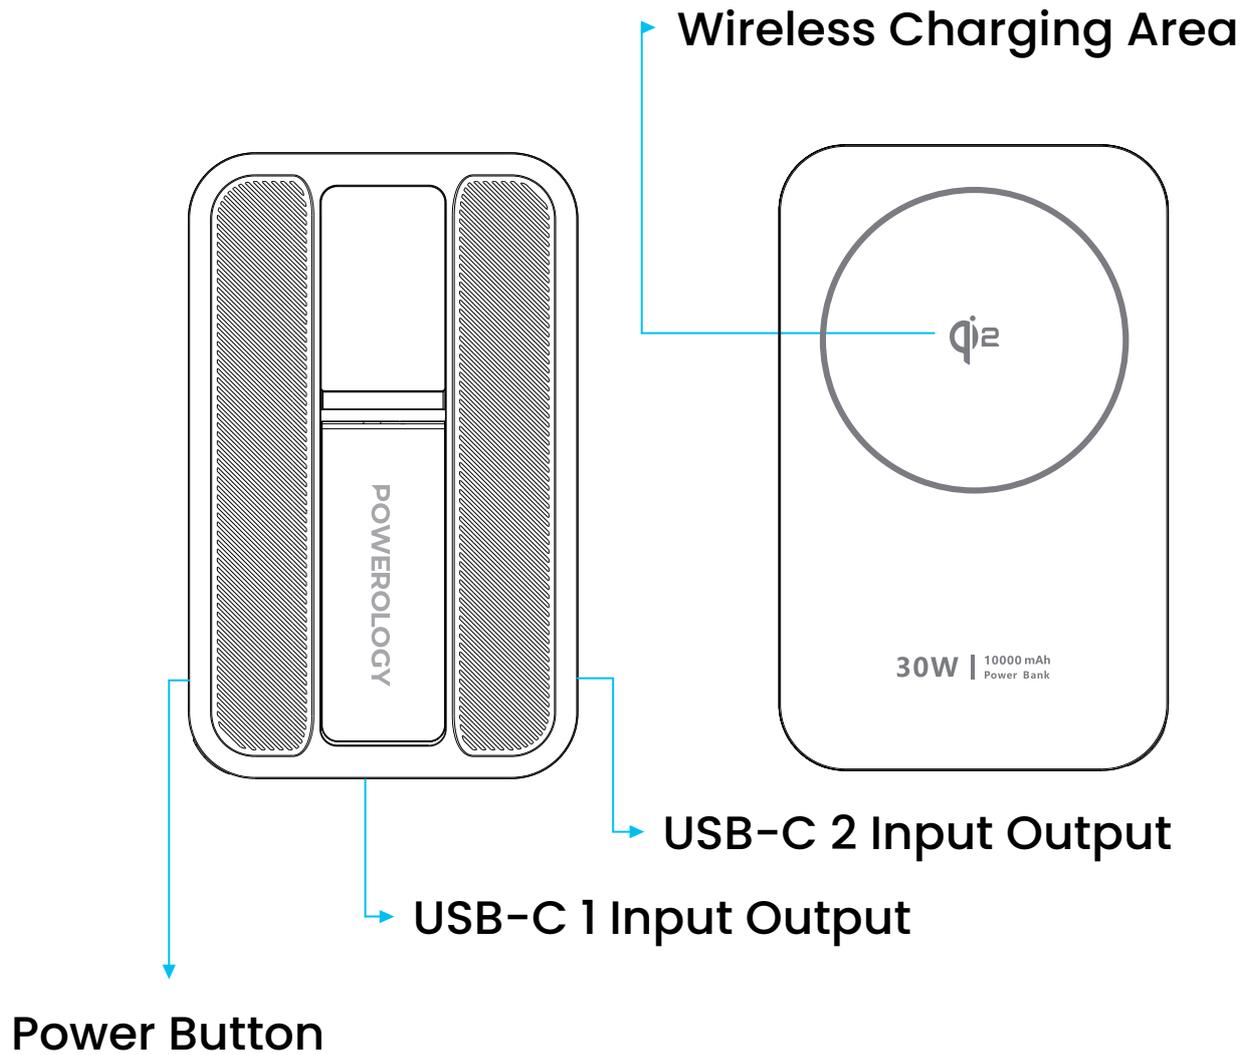

## Charging the Power Bank

**Important:** Before using your power bank for the first time, please ensure it is fully charged. This unit requires 4–3 full charge and drain cycles to optimize the battery to its full potential. To maintain optimal performance, the unit should be recharged every 3 months when not in use.

1. Connect the regular USB end to the output USB port of your computer or wall adapter.
2. Plug the Micro-USB end into the input port of the power bank.
3. The display will illuminate, indicating the charging status.
4. Once fully charged, the display will remain on.

## Specifications

Model	PPB20910
Battery Capacity	10000mAh
USB-C1/C2 Input	5V/3A, 9V/3A, 27W Max
USB-C1/C2 Output	5V/3A, 9V/3A, 10V/2.25A, 12V/2.5A, 20V/1.5A, 30W Max
Wireless Output	5W/7.5W/10W/15W (Qi2)
Total Output	5V/3A, 15W Max

Operating Temperature	10°C ~ 40°C
Product Weight	213g
Product Size	22.3 x 63 x 102mm

## Charging Other Devices

**Important:** Always check the voltage compatibility of your device before connecting it to the power bank.

1. Insert your device's regular USB charging cable into the output port of the power bank.
2. Connect the other end of the cable to your electronic device.
3. Your device should indicate that charging has started.
4. Once charging is complete, please remove the USB cable from the power bank.

## Safety Precautions

**Important:** Improper use may result in product damage, reduced battery life, and loss of charging capacity, which may not be covered under the manufacturer's warranty.

1. Ensure your device's voltage is compatible before use.
2. Only charge the unit using your computer or a certified, approved power adapter (certification depends on your region).
3. Do not store the power bank in high or low-temperature environments, small enclosed areas, or places without ventilation, and never place it in fire.

4. Do not drop, bump, throw, or shake the unit as this may damage internal components.
5. Do not disassemble or attempt to repair or modify the unit.
6. Do not allow the unit to come in contact with water or moisture.
7. If the battery becomes excessively hot, emits an odor, gets dented, or shows any abnormal deformity, stop using it immediately.
8. Dispose of the battery only at authorized recycling centers.
9. Do not use harsh chemicals or cleaning agents on the exterior of the unit.

## Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

## **Warranty**

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website [powerology.me/warranty](https://powerology.me/warranty) and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
