Instructions for Use

Use the included USB-C cable to connect the power bank to a power source (such as a wall outlet or adapter) to charge the power bank fully. Use the power bank to recharge both Apple and Android smartphones by connecting the appropriate charging cable to the power bank's output port.

Safety Precautions

- 1.** The power bank will generate heat when charging. Always charge it in a well-ventilated area.
- 2.** Do not charge it under pillows, blankets, or on flammable surfaces.
- 3.** Keep the power bank away from heat sources, direct sunlight, combustible gases, humidity, water, or other liquids.
- 4.** Do not disassemble, open, microwave, incinerate, puncture, or insert foreign objects into the power bank.
- 5.** Avoid subjecting the power bank to mechanical shock, such as crushing, bending, puncturing, or shredding.
- 6.** Avoid placing heavy objects on the power bank.
- 7.** Do not short-circuit the power bank or store it in a location where it may be short-circuited by other metallic or conductive objects.
- 8.** Do not operate the power bank if it has been wet or otherwise damaged, to prevent electric shock, explosion, or injury. Contact an authorized service center if damaged.

9. Power bank usage by children should always be supervised.
10. Please read the operating instructions provided with this power bank.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.
