Weight	59 g

Model Number	P35WSPC
--------------	---------

Supported Various Protocols

The charger is compatible with various protocols, including:

1. USB-C PD 3.0 and PD 2.0
2. Quick Charge QC3.0 and QC2.0
3. Adaptive Fast Charging (AFC)
4. Fast Charge Protocol (FCP)
5. Huawei Super Charge (SCP)
6. Apple 2.4A charging
7. DCP 1.5A standard

Safety Precautions

To ensure the longevity and safe operation of the charger, kindly follow these guidelines:

1. Do not disassemble or modify the charger.
2. Avoid exposing the charger to water or fire to prevent electrical hazards.
3. Store the charger in a dry, non-corrosive environment.
4. Avoid using the charger in high-temperature conditions.
5. Handle the charger with care; do not throw, trample, or strike it.
6. Disconnect the charger from the power source when not in use.
7. Keep the charger out of reach of children.

8. Only use appropriate cables and connectors with the charger.
9. Avoid using cables of uncertain quality to prevent potential accidents.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website [**powerology.me/warranty**](https://powerology.me/warranty) and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
