Product Overview

The Powerology 12-in-1 HDMI & DisplayPort USB-C Hub Ethernet is a versatile and compact accessory that enhances connectivity for your devices. With a 100W Power Delivery (PD) support and USB 3.2 speeds of 10Gbps, it ensures fast data transfers. The hub offers 4K ultra HD video output through both HDMI and DisplayPort, allowing dual displays for a seamless multi-monitor experience. It also includes multiple USB 3.0 ports, an SD card slot, and Ethernet support, making it an ideal solution for expanding your device's functionality while maintaining a durable and high-quality design.

Application			PC/Tablet/Mobile Phone

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website **<https://www.powerology.me/warranty>** and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
