Total Output	75W
Material	Zinc Alloy with Oil Painting Finish

Setup Guide

Insert the product into the car's cigarette lighter port. Connect one end of the charging cable to the USB port and the other end to your device.

Product Features

This car charger comes with two high-quality braided cables: a 1-meter USB-C to Lightning cable, ensuring versatility and durability for all your charging needs.

Safety Precautions

This product is designed for use in vehicles with a voltage not exceeding 24V.

Avoid using in high-temperature or humid environments.

Do not apply excessive pressure or mount the product forcefully.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website **<https://www.powerology.me/warranty>** and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
