Product Overview

The Powerology Cyber 81W USB-C Retractable Car Charger is designed to deliver fast and efficient charging while on the go. It features a powerful 81W output, allowing you to charge your devices rapidly and reliably. Equipped with both PD 36W and QC 18W ports, it supports simultaneous charging of multiple devices, ensuring optimal power distribution. The retractable cable, measuring 85 cm, offers convenience and clutter-free storage. Built-in safeguards ensure the protection of your devices from overcharging and overheating. This charger is perfect for users seeking a versatile, high-performance charging solution for their vehicles.

Specifications

Model	PCCSR027
Input	12-24V
USB-A Output	5V/3A, 9V/2A, 12V/1.5A, 18W Max
USB-C Output	5V/3A, 9V/3A, 12V3A, 36W Max
USB-A+USB-C Output	5V/3A, 15Max
USB-C Cable Output	5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/2.25A, 45W Max
Total Output	81W Max
Cable Length	85cm
Material	PC+ABS

Product Features

- A.** 81W Fast Charging: Provides rapid power delivery for efficient device charging.
- B.** PD 36W and QC 18W Ports: Supports Power Delivery and Quick Charge for faster charging speeds.
- C.** 85cm Retractable Cable: Convenient, space-saving design for easy storage and use.
- D.** Simultaneous Charging: Charges two devices at the same time without reducing power.
- E.** Built-In Safety Features: Protects devices from overcharging, overheating, and short circuits for safe use.

Operation Instructions

- 1.** Insert the Charger: Plug the USB-C charger into your vehicle's 12V or 24V power socket (car cigarette lighter).
- 2.** Extend the Cable: Pull the retractable cable from the charger to the desired length for easy connection to your device.
- 3.** Connect Your Device: Plug the appropriate end of the cable (USB-C or USB-A) into your device. Use the USB-C port for Power Delivery (PD 36W) or the USB-A port for Quick Charge (QC 18W).
- 4.** Simultaneous Charging: You can charge two devices at once by connecting them to both the PD and QC ports.
- 5.** Automatic Safety Features: The charger has built-in protection to prevent overcharging, overheating, and short circuits.
- 6.** Recoil the Cable: After use, press the button to retract the cable back into the charger for tidy storage.

7. Unplug the Charger: Once your devices are fully charged, unplug the charger from your vehicle's power outlet.

Safety Precautions

- 1. Use Correctly:** Only use the charger with 12V or 24V vehicle power sockets. Do not use with other power sources.
- 2. Avoid Overloading:** Do not exceed the charger's maximum output (81W). Ensure your devices are compatible.
- 3. Keep Dry:** Keep the charger away from water and moisture to avoid damage or short circuits.
- 4. Prevent Overheating:** Do not use the charger in extremely hot or cold conditions. Ensure proper airflow during use.
- 5. Inspect Regularly:** Check the charger and cables for any signs of wear or damage. Do not use if damaged.
- 6. Store Properly:** When not in use, store the charger in a cool, dry place and retract the cable to prevent damage.
- 7. Disconnect Safely:** Always unplug the charger by pulling the plug, not the cable, to avoid damaging the connectors.
- 8. Avoid Self-Repair:** If the charger is damaged, contact the manufacturer or an authorized service center. Do not attempt repairs.
- 9. Keep Away from Children:** Store the charger out of children's reach

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website [**https://www.powerology.me/warranty**](https://www.powerology.me/warranty) and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
