Dimension	44.3 × 48.3 × 64 mm
Weight	65g

Product Features

The charger features an ultra-compact design, making it highly portable and convenient.

It supports USB-C fast charging for quick and efficient power delivery.

With 20W Power Delivery (PD), it ensures fast charging for your devices.

The charger can charge devices from 0 % to 60 %in just 35 minutes, providing quick power boosts.

A 1.2m (4ft) USB-C to USB-C cable is included, so you can start using it right away.

Built-in safeguards offer protection, ensuring safe and reliable charging at all times.

The charger is compatible with a wide range of devices, including smartphones, tablets, and more.

Safety Precautions

Avoid Overloading: Do not connect multiple high-powered devices that may exceed the maximum output limits to prevent overheating or damage.

Use Only Compatible Devices: Ensure the charger is used with devices that support the output specifications to prevent malfunction or damage.

Protect from Moisture: Keep the charger away from water and moisture to avoid electric shock or short circuit.

Inspect Regularly for Damage: Periodically check the charger and cables for any visible wear or damage, and discontinue use if damaged.

Do Not Disassemble: For safety reasons, avoid opening or tampering with the charger. Any modifications or repairs should only be done by authorized service personnel.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Powerology** website or shop come with a 24-month warranty.

The 24-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website **powerology.me/warranty** and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 24-month warranty period.
