Product Overview

The Powerology Multi-Angle Phone Stand (SM007) is designed to provide ultimate flexibility and stability for your mobile device. With a stable metal base and non-slip silicone grip, it ensures secure placement on various surfaces. The stand's aluminum alloy construction guarantees durability and long-lasting use. It supports both horizontal and vertical positioning, allowing for versatile viewing angles. The adjustable pivot arm and 360° rotating base provide full control over the angle, offering a customized viewing experience for your phone. Whether for watching videos, video calls, or hands-free use, this multi-angle phone stand delivers convenience and support in any situation.

Specifications

Product Material	ABS + PC + Aluminum Alloy
Folded Size	85×135mm
Max Length	177mm
Product Weight	295g

Product Features

- a. The 360° rotating base allows you to effortlessly adjust the stand to any angle, providing a full range of motion for viewing your phone from different perspectives. Whether you're watching a video, browsing, or following a recipe, this feature ensures your device is always positioned for maximum comfort.
- b. The stand features an adjustable pivot arm that allows you to modify the height and angle of your phone with ease. This flexibility

ensures that your device can be positioned at the perfect level, whether you're sitting at a desk or lounging on the couch, offering an ergonomic viewing experience.

c. The stand is equipped with a heavy-duty metal base that provides excellent stability, ensuring that your phone remains secure even during interaction or adjustments. This sturdy base prevents tipping or wobbling, making it ideal for use in active environments like a kitchen or office.

d. The stand includes non-slip silicone pads on the phone holder and base, which prevent your device from sliding or scratching. These grips ensure that your phone stays in place, even on smooth or slippery surfaces, offering a secure and safe placement for your device.

e. This stand is designed to support both horizontal (landscape) and vertical (portrait) orientations, giving you the flexibility to use your phone in any position. Whether you're watching movies, video calling, or reading, it accommodates a variety of use cases for a seamless experience.

f. Built with high-quality aluminum alloy, the stand is both lightweight and durable. The premium material ensures that the stand is resistant to wear and tear, providing long-term use without compromising on strength or stability. The sleek design complements modern décor while adding a touch of elegance.

g. With its versatile design, this phone stand allows you to easily adjust the angle of your phone to suit different activities, such as video conferencing, following a recipe, or watching content. This multi-angle functionality enhances comfort and usability, making it the perfect companion for daily tasks or entertainment.

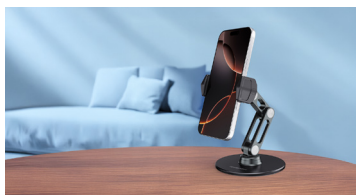

Safety Precautions

1. Do not place phones or devices that exceed the recommended weight limit on the stand. Overloading could cause the stand to become unstable or break.

2. To prevent damage, keep the phone stand away from any liquids, as water or moisture could damage both the stand and your device.
3. Always place the phone stand on a flat, stable surface to ensure it remains secure. Avoid using it on surfaces that are prone to tipping or sliding.
4. Keep the stand away from direct heat sources such as radiators, stoves, or hot surfaces, as excessive heat could damage the stand's materials or cause deformation.
5. When adjusting the stand's pivot arm, make sure it is securely locked in place before use to prevent accidental falls or tipping of your device.
6. Avoid overextending the adjustable pivot arm to prevent damage to the stand's components. Always adjust it within the specified range to maintain its stability.
7. Periodically check the stand for signs of wear or damage, especially the non-slip pads and pivot arm, to ensure safe and optimal performance.
8. Keep the stand out of the reach of young children to prevent accidental damage or misuse, as it may contain small parts that could pose a choking hazard.
9. Clean the stand with a soft, dry cloth to avoid damaging its surface. Avoid using harsh chemicals, which may corrode or weaken the materials over time.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Powerology** website or shop come with a 12-month warranty.

The 12-month warranty applies to products purchased directly from our **Powerology** website or store. If **Powerology** products are bought from any of our verified retailers, then the product is eligible for only a 12-month warranty. To extend your product's warranty, visit our website **<https://www.powerology.me/warranty>** and fill in your details in the provided form along with an uploaded picture of the product to process your request. Once approved, you will receive a confirmation email of the extended product warranty. Upload the required information within 48 hours of purchase to be eligible for a 12-month warranty period.
