Product Overview

The Powerology 1TB Mini Portable SSD Drive offers fast data transfer with speeds up to 20Gbps and a compact, durable design. It features a TFT display to show key information such as speed, storage space, and temperature. With a 1TB capacity, this drive is ideal for storing a variety of files. It is compatible with multiple operating systems and comes with a protective silicone case for added durability. The USB-C connector ensures a fast and reliable connection for both personal and professional use.

Specifications

Disk Capacity	1 TB
Input Voltage	5V/1A
Rated Power	5W
Data Transfer Speed	20Gbps
Chipset	SMI-2320
Display Size	1.65" TFT Display, 142 RGB × 428DOTS
Input Connector	USB-C
Operating Temperature	0-45°C
System Compatibility	Windows, Linux, MacOS, iOS, Android
Material	Aluminum Alloy
Product Size	9.87 × 28.62 × 60mm
Model Number	PWP1TB

Product Features

- a.** **1TB Capacity:** The drive offers 1TB of storage space, allowing you to store a significant amount of data, such as files, documents, and media.
- b.** **High-Speed Transfer:** It supports data transfer speeds of up to 20Gbps, ensuring quick access to files and fast data transfers.
- c.** **TFT Display:** The drive features a TFT display that shows important information such as transfer speed, storage usage, power-on count, and temperature.
- d.** **Compact Design:** Its small and portable design makes it easy to carry and store in various environments.
- e.** **USB-C Connector:** The USB-C connector ensures a fast and reliable connection to compatible devices.
- f.** **Universal OS Compatibility:** The drive is compatible with multiple operating systems, including Windows, macOS, and Linux, making it versatile for different users.
- g.** **Silicone Protective Case:** A durable silicone case is included to protect the drive from physical damage and ensure its longevity.

Safety Information

Before using this product, please read the following safety instructions and follow all general safety precautions. Any operation that does not comply with this manual may cause damage to the product.

Warning:

- 1.** Do not use the product in an environment with open flames or fragile items.
- 2.** Do not use the product in extremely hot (above 40°C) or extremely cold (below 0°C) environments.

Note:

- 1.** Only authorized technicians are allowed to disassemble this product; users should not attempt to disassemble it.

- 2. Do not place this product near cigarette butts, lighters, or other sources of open flame.
- 3. Do not excessively bend the power cord or place heavy objects or sharp items on the machine.
- 4. Do not sit on the product.
- 5. Do not use this product in humid environments (e.g., bathrooms).
- 6. Do not place this product in areas where it may easily fall (e.g., tables or chairs).
- 7. The operating temperature range for this product is from 0°C to 40°C.
- 8. Do not use this product in high-temperature environments.

Package Contents
